LOCATION. Our office and growing grounds are located $1\frac{1}{2}$ miles southeast of Olympia on Highway 5-I (Yelm Highway). Turn off the New Freeway at Tumwater. Proceed to the Olympia Brewery at the stop light on the Old Highway 99. Cross it and go one block east to Highway 5-I. Turn right and continue about $1\frac{1}{2}$ miles. Watch for our sign on the left and turn onto Gleason Road. Our new address is 4407 Gleason Road. Same location but a new address to facilitate mail delivery.

HOURS. We are closed on Sundays except by previous appointment. We have help to dig stock only during the regular business hours. However, with advance notice, we can arrange to have orders dug for evening or Sunday pick up.

SHIPPING. We can crate and ship only Bare Root items. We can sometimes arrange delivery of shrubs to the Seattle-Tacoma area with our own truck. Otherwise, we request that the shrubs be selected and picked up here at the Nursery.

ADVANCE ORDERS. As we do not have adequate protective facilities for wintering over, we regret that we cannot accept fall orders for spring delivery of Broadleaved shrubs including azaleas and rhododendrons. In the spring, we shall be pleased to check your want lists and supply your needs with the stock which is still available.
